

```
graph LR; A[Image] --> B[Image]; C[ ] --> B; D[ ] --> B;
```

Diagram illustrating a process flow. A large light blue rectangular box on the left is labeled "Image". A horizontal arrow points from the right side of this box to the left side of a smaller light blue rectangular box on the right, which is also labeled "Image". Additionally, there are two external input arrows pointing into the right box: one from the top pointing to the top edge, and one from the right pointing to the right edge.
